## About C-DAC

Centre for Development of Advanced Computing (C-DAC) is the premier R&D organization of the Ministry of Electronics and Information Technology (MeitY) for carrying out R&D in IT, Electronics and associated areas. C-DAC has today emerged as a premier R&D organization in IT & E (Information Technologies and Electronics) in the country working on strengthening national technological capabilities in the context of global developments in the field and responding to change in the market need in selected foundation areas.

C-DAC's Education and Training programmes are aimed at creating skilled manpower in the country by providing quality training programmes in the field of Electronics and ICT. This activity started almost two decades ago with a humble beginning of training about 20 students per year, but has today grown to an extent of training more than 5000 students per year. It also grew from just one training centre to about 50 training centres across India and has even made its presence in several countries abroad.

Presently, C-DAC offers its various training programmes through its own training centres in Bengaluru, Chennai, Hyderabad, Kolkata, Mohali, Mumbai, Noida, Pune and Thiruvananthapuram, and its network of Authorised Training Centres (ATC) spread across the country.

## About the Conference
